

FOR IMMEDIATE USE – 18th March 2010

K HOME RECOGNISED FOR KEEPING SAFE

K Home International Limited (KHI) received the **Safe Working Award** from the Engineering Construction Industry Association (ECIA). The ECIA is the principal trade and employer Association for the UK engineering construction industry. With over 300 members include many of the largest companies in the world that carry out EPCM projects across the globe.

The certificate recognises the high health and safety achievement during the period of 1st January to 31st December 2009.

During this time KHI were working on two major projects with no lost time accidents or reportable incidents or accidents. This is a great achievement for KHI as both projects amount to 463,000 man-hours.
